JMMB Upgrade – Service Disruption

To effect the required upgrades, JMMB will temporarily deactivate its current banking platform in order to bring a new system online. As a result, starting from **7:00 pm on Friday 28th August 2020 to 5:00 pm on Monday 31st August 2020** there will be no access to JMMB ATMs. JMMB has instituted a workaround where VISA Debit Cardholders will be able to do Point of Sale transactions, and withdrawals at other banks ATMs, between **7:00 p.m. on Friday 28th August and 12:00 a.m. Sunday 30th August, 2020**. From **12:00 a.m. Sunday 30th August to 5:00 p.m. to Monday 31st August, 2020** VISA Debit Cardholders will not be able to access any Point of Sale transactions **nor** any ATM withdrawals.

Be reminded that withdrawals at the ATM **are limited to TT\$3,000 per day** once you have sufficient funds in the account to meet the required withdrawal.
